### Copies

You'll need to submit copies of:

- your planning application form
- the decision letter from the local planning authority, if you have one
- all plans, drawings and documents you sent to the local planning authority in your application
- the site plan for your appeal site
- the ownership certificate document, if you submitted one separately as part of your application

If you're requesting a hearing or public inquiry

You also need to [create a draft statement of common ground](https://www.gov.uk/government/publications/statement-of-common-ground). This is a document explaining the parts of your planning application that you believe the local planning department will not disagree with.

### Preparing your documents

You can submit the documents as any of these file types, as long as they're smaller than 15MB:

- DOC or DOCX
- JPG or JPEG
- PDF
- PNG
- TIF or TIFF

Make sure all documents are fully readable without any redacted text.

### If someone else owns land or property that's involved in your appeal

You must tell them that you intend to appeal.

Example 1:

Your appeal is about building a house on a field you own. You do not have to tell anybody else, because you own the whole field.

Example 2:

Your appeal is about a decision that applies to a whole estate of houses. To appeal that decision, you'd have to tell other homeowners on the estate.

### If you know who the owners are

If you know who the owners are

[Complete the form in annexe 2A or 2B of the planning appeals guidance](https://www.gov.uk/government/publications/planning-appeals-how-to-complete-your-appeal-form) and send it to them to tell them you're appealing.

### If you do not know who the owners are

If you do not know who the owners are

You must try to find them.

To do this, you can:

- [search the land registry](https://www.gov.uk/search-property-information-land-registry)
- put up a site notice at the appeal site, asking them to contact you

To make a site notice, [complete the form in annexe 2A or 2B of the planning appeals guidance](https://www.gov.uk/government/publications/planning-appeals-how-to-complete-your-appeal-form) and use it as the notice.

### If you cannot find the owners

If you cannot find the owners

You must advertise your appeal, for example in a local newspaper.

[Complete the form in annexe 2A or 2B of the planning appeals guidance](https://www.gov.uk/government/publications/planning-appeals-how-to-complete-your-appeal-form) and use it as the advertisement.

- put up a site notice at the appeal site, asking them to contact you

To make a site notice, complete the form in annexe 2A or 2B of the planning appeals guidance and use it as the notice.

### If you cannot find the owners

You must advertise your appeal, for example in a local newspaper.

Complete the form in annexe 2A or 2B of the planning appeals guidance and use it as the advertisement.

## Documents you must provide

You'll need to submit:

- a copy of your enforcement notice
- a plan (if there is one)
- any other documents that directly support your appeal, for example your grounds for appeal
- your appeal, if you're appealing by post

You can upload these documents when you appeal online or post them to the Planning Inspectorate.

## Nationally Significant Infrastructure Projects regime: operational review

Minister of State for Housing Christopher Pincher MP launched an operational review of the NSIP regime as part of a speech at the National Infrastructure Planning Association (NIPA) summer conference on 7 July 2021.

The operational review forms part of the National Infrastructure Planning Reform Programme. In advance of his speech, Minister Pincher wrote a letter to NIPA members introducing the reform programme and setting out how important it will be for all those who use or interact with the NSIP regime to work together to make the operational review a success.

See the [Annex to the Minister's letter](https://www.gov.uk/government/publications/nationally-significant-infrastructure-projects-regime-operational-review) for further details of the National Infrastructure Planning Reform Programme and a road map of reforms.

<p>As a result of the Coronavirus (COVID-19) pandemic, we are running a reduced service.</p>

<p>Please contact the Planning Inspectorate by using our <a rel="external" href="https://contact-us.planninginspectorate.gov.uk/hc/en-gb/requests/new" class="govuk-link">customer contact form</a>, by email at <a href="mailto:feedback@planninginspectorate.gov.uk" class="govuk-link">feedback@planninginspectorate.gov.uk</a> or by telephone on 0303 444 5884.

Our complaints line is open between 09:00 and 12:00, Monday to Friday (closed on weekends and public holidays).</p>

<p>Please be aware that we are taking up to 40 working days to answer complaints. If a complaint is more complex or relevant persons are unavailable for comment, we may take longer to respond.</p>

<p>If you are making a legal challenge in the High Court, do not wait for our response. Our complaints procedure is separate from the process and timescales for filing legal challenges with the Courts.</p>

<p>The Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.</p>

## <h2 id="what-our-complaints-procedure-covers">What our complaints procedure covers</h2>

- <li>The standard of service we provide</li>
- <li>The conduct of our staff</li>
- <li>Any action or lack of action by staff affecting an individual or group</li>
- <li>Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.</li>

## <h2 id="what-our-complaints-procedure-does-not-cover">What our complaints procedure does not cover</h2>

- <li>Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account</li>
- <li>Adding to decisions or recommendations</li>
- <li>The actions of Councils, Government departments or other parties</li>
- <li>Government policy</li>
- <li>Complaint matters that have already been fully answered by us</li>

<p>Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.</p>

<p>The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.</p>

<p>We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, <a href="http://www.gov.uk/government/publications/planning-appeals-procedural-guide" class="govuk-link">Planning appeals: procedural guide</a>.</p>

## <h2 id="how-we-use-your-information">How we use your information</h2>

<p>The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our <a href="https://www.gov.uk/government/publications/planning-inspectorate-privacy-notice" class="govuk-link">privacy notice</a>.</p>

## 

<p>Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.</p>

<p>Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.</p>

## 

<p>Contact the relevant support staff at the Planning Inspectorate for any questions or concerns you have about a case that has not yet concluded. Most issues can be answered by the support staff responsible for administering the case. If you are unsure about who to contact, please ask our customer team on 0303 444 5000.</p>

<p>The Programme Officer should be contacted for any questions or concerns you have about an examination of a Local Plan that has not yet concluded. Contact details can be found on the relevant Local Planning Authority's website for the examination.</p>

## 

### 

<p>The Customer Team will answer any unresolved issues, concerns about staff conduct or any complaint made after a decision or recommendation.</p>

<p>As part of investigating complaints, Customer Team Officers may check facts against relevant guidance or case documentation. Inspectors or support staff may be asked for their comments. In a few cases, parties outside our organisation (such as a Local Authority) may also be contacted for their general observations on what occurred.</p>

<p>Complaints may also be referred to a senior manager with specialist casework knowledge for review, to help the Customer Team reach an

independent view on whether to uphold the complaint or not. However, the reply will come from the Customer Team Officer.</p>

### <h3 id="stage-2">Stage 2</h3>

<p>If a complainant considers that the reply from the Customer Team Officer has not adequately responded to their concerns, a Customer Team Manager will review the complaint and how it was handled and provide a final reply.</p>

## <h2 id="remedy-and-redress">Remedy and redress</h2>

<p>For any acknowledged errors, we will write to the complainant explaining what has happened. The responsible staff and their line manager will be informed of the outcome as part of performance management. We will also look to see if lessons can be learned to prevent similar mistakes from happening again.</p>

<p>Where we uphold complaints, our remedies include:</p>

- <li>an apology, explanation and acknowledgement of responsibility</li>
- <li>remedial action, such as reviewing or changing our service standards; revising published material; revising procedures or guidance; training or supervising staff; or any combination of these.</li>

<p>In most cases, an explanation and an apology will be an appropriate response.</p>

<p>In exceptional circumstances, we may provide compensation for additional costs incurred as a direct result of an acknowledged error by us, where valid claims are made. Financial compensation is a final option and will only apply in cases where the loss or suffering is considered to warrant such a payment. Information is given in our published document, <a href="https://www.gov.uk/government/publications/planning-inspectorate-claims-for-repayment-of-additional-costs-ex-gratia-scheme" class="govuk-link">Planning Inspectorate: claims for repayment of additional costs (ex gratia scheme)</a></p>

[feedback@planninginspectorate.gov.uk](mailto:feedback@planninginspectorate.gov.uk) or by telephone on 0303 444 5884. Our complaints line is open between 09:00 and 12:00, Monday to Friday (closed on weekends and public holidays). Please be aware that we are taking up to 40 working days to answer complaints. If a complaint is more complex or relevant persons are unavailable for comment, we may take longer to respond. If you are making a legal challenge in the High Court, do not wait for our response. Our complaints procedure is separate from the process and timescales for filing legal challenges with the Courts. The Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.

[What our complaints procedure covers](#)

The standard of service we provide

The conduct of our staff

Any action or lack of action by staff affecting an individual or group

Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.

[What our complaints procedure does not cover](#)

What our complaints procedure does not cover

Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account

Adding to decisions or recommendations

The actions of Councils, Government departments or other parties

Government policy

Complaint matters that have already been fully answered by us

Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.

The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.

We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, <http://www.gov.uk/government/publications/planning-appeals-procedural-guide>

[Service standards](#)

<https://www.gov.uk/government/publications/planning-inspectorate-customer-charter>

Please read our Customer Charter for information about our service standards.

[How we use your information](#)

The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our <https://www.gov.uk/government/publications/planning-inspectorate-privacy-notice>

[How to complain](#)

Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.

Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.

## Before making a complaint

Contact the relevant support staff at the Planning Inspectorate for any questions or concerns you have about a case that has not yet concluded. Most issues can be answered by the support staff responsible for administering the case. If you are unsure about who to contact, please ask our customer team on 0303 444 5000.

The Programme Officer should be contacted for any questions or concerns you have about an examination of a Local Plan that has not yet concluded. Contact details can be found on the relevant Local Planning Authority's website for the examination.

### Stages of the complaints procedure

#### Stage 1

The Customer Team will answer any unresolved issues, concerns about staff conduct or any complaint made after a decision or recommendation.

As part of investigating complaints, Customer Team Officers may check facts against relevant guidance or case documentation. Inspectors or support staff may be asked for their comments. In a few cases, parties outside our organisation (such as a Local Authority) may also be contacted for their general observations on what occurred.

Complaints may also be referred to a senior manager with specialist casework knowledge for review, to help the Customer Team reach an independent view on whether to uphold the complaint or not. However, the reply will come from the Customer Team Officer.

#### Stage 2

If a complainant considers that the reply from the Customer Team Officer has not adequately responded to their concerns, a Customer Team Manager will review the complaint and how it was handled and provide a final reply.

## Remedy and redress

For any acknowledged errors, we will write to the complainant explaining what has happened. The responsible staff and their line manager will be informed of the outcome as part of performance management. We will also look to see if lessons can be learned to prevent similar mistakes from happening again.

Where we uphold complaints, our remedies include:

- an apology, explanation and acknowledgement of responsibility
- remedial action, such as reviewing or changing our service standards; revising published material; revising procedures or guidance; training or supervising staff; or any combination of these.

In most cases, an explanation and an apology will be an appropriate response. In exceptional circumstances, we may provide compensation for additional costs incurred as a direct result of an acknowledged error by us, where valid claims are made. Financial compensation is a final option and will only apply in cases where the loss or suffering is considered to warrant such a payment. Information is given in our published document,

<p>As a result of the Coronavirus (COVID-19) pandemic, we are running a reduced service.</p>

Our complaints line is open between 09:00 and 12:00, Monday to Friday (closed on weekends and public holidays).</p>

<p>Please be aware that we are taking up to 40 working days to answer complaints. If a complaint is more complex or relevant persons are unavailable for comment, we may take longer to respond.</p>

<p>If you are making a legal challenge in the High Court, do not wait for our response. Our complaints procedure is separate from the process and timescales for filing legal challenges with the Courts.</p>

<p>The Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.</p>

<h2 id="what-our-complaints-procedure-covers">What our complaints procedure covers</h2>

- <li>The standard of service we provide</li>
- <li>The conduct of our staff</li>
- <li>Any action or lack of action by staff affecting an individual or group</li>
- <li>Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.</li>

## <h2 id="what-our-complaints-procedure-does-not-cover">What our complaints procedure does not cover</h2>

- <li>Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account</li>
- <li>Adding to decisions or recommendations</li>
- <li>The actions of Councils, Government departments or other parties</li>
- <li>Government policy</li>
- <li>Complaint matters that have already been fully answered by us</li>

<p>Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.</p>

<p>The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.</p>

<p>We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, <a href="http://www.gov.uk/government/publications/planning-appeals-procedural-guide" class="govuk-link">Planning appeals: procedural guide</a>.</p>

<p>Telephone: 0303 444 5884</p>

## <h2 id="before-making-a-complaint">Before making a complaint</h2>

<p>Contact the relevant support staff at the Planning Inspectorate for any questions or concerns you have about a case that has not yet concluded. Most issues can be answered by the support staff responsible for administering the case. If you are unsure about who to contact, please ask our customer team on 0303 444 5000.</p>

<p>The Programme Officer should be contacted for any questions or concerns you have about an examination of a Local Plan that has not yet concluded. Contact details can be found on the relevant Local Planning Authority's website for the examination.</p>

## <h2 id="stages-of-the-complaints-procedure">Stages of the complaints procedure</h2>

### <h3 id="stage-1">Stage 1</h3>

<p>The Customer Team will answer any unresolved issues, concerns about staff conduct or any complaint made after a decision or recommendation.</p>

<p>As part of investigating complaints, Customer Team Officers may check facts against relevant guidance or case documentation. Inspectors or support staff may be asked for their comments. In a few cases, parties outside our organisation (such as a Local Authority) may also be contacted for their general observations on what occurred.</p>

<p>Complaints may also be referred to a senior manager with specialist casework knowledge for review, to help the Customer Team reach an independent view on whether to uphold the complaint or not. However, the reply will come from the Customer Team Officer.</p>

### <h3 id="stage-2">Stage 2</h3>

<p>If a complainant considers that the reply from the Customer Team Officer has not adequately responded to their concerns, a Customer Team Manager will review the complaint and how it was handled and provide a final reply.</p>

## <h2 id="remedy-and-redress">Remedy and redress</h2>

<p>For any acknowledged errors, we will write to the complainant explaining what has happened. The responsible staff and their line manager will be informed of the outcome as part of performance management. We will also look to see if lessons can be learned to prevent similar mistakes from happening again.</p>

<p>Where we uphold complaints, our remedies include:</p>

<ul>

- <li>an apology, explanation and acknowledgement of responsibility</li>
  - <li>remedial action, such as reviewing or changing our service standards; revising published material; revising procedures or guidance; training or supervising staff; or any combination of these.</li>
- </ul>

<p>In most cases, an explanation and an apology will be an appropriate response.</p>

<p>In exceptional circumstances, we may provide compensation for additional costs incurred as a direct result of an acknowledged error by us, where valid claims are made. Financial compensation is a final option and will only apply in cases where the loss or suffering is considered to warrant such a payment. Information is given in our published document, <a href="https://www.gov.uk/government/publications/planning-inspectorate-claims-for-repayment-of-additional-costs-ex-gratia-scheme" class="govuk-link">Planning Inspectorate: claims for repayment of additional costs (ex gratia scheme)</a></p>

<h2 id="review-by-the-parliamentary-and-health-service-ombudsman">Review by the Parliamentary and Health Service Ombudsman</h2>

<p>If you remain unhappy, you can ask your Member of Parliament to take your complaint to the independent Parliamentary and Health Service Ombudsman (PHSO) to review the handling of your complaint. The PHSO can be contacted at:</p>

Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.

[What our complaints procedure covers](#)

The standard of service we provide

The conduct of our staff

Any action or lack of action by staff affecting an individual or group

Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.

[What our complaints procedure does not cover](#)

What our complaints procedure does not cover

Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account

Adding to decisions or recommendations

The actions of Councils, Government departments or other parties

Government policy

Complaint matters that have already been fully answered by us

Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.

The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.

We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, [Planning appeals: procedural guide](#)

[Service standards](#)

Please read our Customer Charter [for information about our service standards](#)

[How we use your information](#)

The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our [privacy notice](#)

[How to complain](#)

Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.

Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.

# Welcome to National Infrastructure Planning

Here you can find out about proposed Nationally Significant Infrastructure Projects (NSIPs) within England and Wales.

This site is managed by the Planning Inspectorate, the government agency responsible for examining applications for NSIPs.

## How the application process works

The Planning Act 2008 process was introduced to streamline the decision-making process for major infrastructure projects, making it fairer and faster for communities and applicants alike.

## Nationally Significant Infrastructure Projects regime: operational review

Minister of State for Housing Christopher Pincher MP launched an operational review of the NSIP regime as part of a speech at the National Infrastructure Planning Association (NIPA) summer conference on 7 July 2021.

<p>The operational review forms part of the National Infrastructure Planning Reform Programme. In advance of his speech, Minister Pincher wrote a letter to NIPA members introducing the reform programme and setting out how important it will be for all those who use or interact with the NSIP regime to work together to make the operational review a success.</p>

<p>See the <a href="https://www.gov.uk/government/publications/nationally-significant-infrastructure-projects-regime-operational-review">Annex to the Minister's letter</a> for further details of the National Infrastructure Planning Reform Programme and a road map of reforms.</p>

Mean Average - The total time taken divided by the number of cases. Also referred to as the 'average'. A measure of how long each case would take, if the total time taken was spread evenly across all cases.

Median - The middle value, if the times are sorted. This means that half the cases take less than this time; and half the cases take more.

Decisions - number of decisions made.

Please note that the times given here are measured from the time an appeal which we are able to progress ('valid') to the time a decision is issued.

The smaller the number of decisions, the less helpful the mean and median are as measures for summarising performance. Particular care should be taken when there are fewer than twenty decisions. These are represented with an \* in the table, but have been provided for completeness and transparency.

Each of the measures give a slightly different view of the average time taken to make a decision, both are provided because neither gives a perfect indication of the average. The mean is potentially affected by a small number of cases taking a long time - and this gives an over-estimate. The median is less affected by these few longer cases so may give a more helpful indication of the average.

The mean was published previously so we are publishing it to allow users to compare current with previous data.

In making use of the data provided, users are reminded that some decisions made in the latest month were on cases submitted a years or more before - as

such, while they are the most recent snapshot available, they should not be relied on to give a reliable indication of what will happen to a case submitted recently or in the future.</p>

**Mean Average** - The total time taken divided by the number of cases. Also referred to as the 'average'. A measure of how long each case would take, if the total time taken was spread evenly across all cases.

**Median** - The middle value, if the times are sorted. This means that half the cases take less than this time; and half the cases take more.

**Decisions** - number of decisions made.

Please note that the times given here are measured from the time an appeal which we are able to progress ('valid') to the time a decision is issued. The smaller the number of decisions, the less helpful the mean and median are as measures for summarising performance. Particular care should be taken when there are fewer than twenty decisions. These are represented with an \* in the table, but have been provided for completeness and transparency.

Each of the measures give a slightly different view of the average time taken to make a decision, both are provided because neither gives a perfect indication of the average. The mean is potentially affected by a small number of cases taking a long time - and this gives an over-estimate. The median is less affected by these few longer cases so may give a more helpful indication of the average.

The mean was published previously so we are publishing it to allow users to compare current with previous data.

In making use of the data provided, users are reminded that some decisions made in the latest month were on cases submitted a years or more before - as such, while they are the most recent snapshot available, they should not be relied on to give a reliable indication of what will happen to a case submitted recently or in the future.

We are reviewing our published information in order to make it more useful and accessible to users - please get in touch with us at [statistics@planninginspectorate.gov.uk](mailto:statistics@planninginspectorate.gov.uk) if you have suggestions on how we could improve the information we provide to you.

## When you can expect a decision

You'll get a decision once your appeal is validated.

[Check how long planning appeal decisions normally take](/guidance/appeals-average-timescales-for-arranging-inquiries-and-hearings).

**How to appeal**

<https://www.gov.uk/appeal-enforcement-notice/how-to-appeal>

**Make your appeal to the Planning Inspectorate.**

If you want to appeal more than one enforcement notice you must make a separate appeal for each. Each person should appeal separately.

You also need to send a copy of your appeal, including all the supporting documents, to your [local planning authority](/planning-permission-england-wales/). The Planning Inspectorate will tell you how to do this.

## Documents you must provide

You'll need to submit:

- a copy of your enforcement notice
- a plan (if there is one)
- any other documents that directly support your appeal, for example your grounds for appeal
- your appeal, if you're appealing by post

You can upload these documents when you appeal online or post them to the Planning Inspectorate.

**Room 3 O/P Temple Quay House**  
**2 The Square Temple Quay Bristol BS1 6PN**

**Comment on an appeal**

<https://www.gov.uk/appeal-enforcement-notice/comment-on-an-appeal>

**Anyone can comment on an enforcement notice appeal.** [Find the case](/appeal-planning-inspectorate) on the appeals casework portal.

The deadline for comments is 6 weeks after the start date of the appeal.

Read the detailed guidance about [taking part in an appeal](/government/collections/taking-part-in-a-planning-listed-building-or-enforcement-appeal).
